LOOK AT IT THIS WAY

Seniors look at high school in a different way than most underclassmen.

Look at it this way...it's all attitude. Everything you do depends on your attitude... How you think, how you act, what you do. Whether good or bad, everyone has one.

How are you with your friends? ATTITUDE. How do you react to your teachers? ATTITUDE. Do you have school spirit? ATTITUDE. What about your parents? ATTITUDE. What are your feelings about relationships? ATTITUDE.

We all have some kind of an attitude. In fact attitudes usually change on a daily basis. The weekend was really awesome...but you forgot about your English paper. You were picked Student-of-the-Month. Your're feeling sick...but your friends cheered you up. She didn't go to the game with you. You lost your lunch money...but that special someone shared their lunch with you. You lost your project. The morning was awful...but then you aced your biology test. He bought you flowers. You got accepted to the college of your dreams. Hanging out with your friends. Cheering for the panthers. Enjoying high school. What could be better? A LOT. Because it's all about what you see and do. IT'S ALL ABOUT ATTITUDE. IT'S ALL ABOUT YOU. LOOK AT IT THIS WAY...

Margaret Corcoran, Alison Stahre, Kelly Gavin and Maureen Pavicic had a lot to do during school since they were cheerleaders.

Students at Euclid High School had the opportunity to enjoy a variety of activities. During the school day, students attended classes that were conducted by our excellent faculty. After school, many participated in extracurricular activities such as clubs, sports and other organizations which added to the excitement of high school life. Life at Euclid High School was a rewarding experience for most students.

Angela Miklavcic and Marianne Wilson would go to great lengths to get the most out of their school day.

Homecoming Dance

Royal Gala" was the 1994 theme for the Homecoming Dance. Blue, Maroon and cream completed the E-room atmosphere. As the dance began couples strolled through the door and were transported into Medieval times. They proceeded onto the dance where they passed Knights, Dragons and a Dungeon. Their pictures were taken on a draw-bridge in front of a castle. Two hundred twenty-four couples danced the night away. Midway

through the evening the Homecoming Court was announced. **Gina Zeman** was crowned Queen and **Ben Mooney** was King. The senior female attendants included **Maria Barker, Melissa Beverly, Wendy Lapuh, Melanie Shippitka, Paula Sustarsic** and **Aisha Tillman**. A student's locker is a place they can call their own

HOME AWAY FROM HOME

Every student has one. Some had more than one. It was a locker of course. A locker was a place where students could keep all their belongings while they were at school. For some it was just a place that they would throw their possessions in, but for others it was their home away from home and it was a place to show off to others in the school and so they decorated their lockers to suit their personalities. Some of the creative talents are shown on these pages.

STUFF

Mandy Siplock shows off her locker which has many pictures of her family and friends in it.

Beth Walters locker has pictures of family and friends and a lot of art work and commercial pictures.

Kisha Jones' locker, on the other hand, doesn't have pictures but does have a lot of drawings and cartoons.

Megan Miezin's locker has a combination of pictures, artwork and slogans that she uses to help her get through the day.

Joi Hutton shows her appreciation for Flag Corps and Disney movies.

Lakesha Buggs, Shenise Johnson, and Manicka Collins find that meeting by their lockers is a good time to socialize.

Robin Lausche decorates her locker with Ziggy, Disney characters and pictures of her friends.

Stacia Ketchum likes to 'bear' with her teddies.

Sarah Kale meets at **Rachel Zielinski's** locker before the school day begins.

Sharon Hollis, Kristina Geiger, and Christina Fabert reveal that many surprising things can be found in Euclid's lockers.

Kendra Pructor displays her fondness for Gary Larson's *Far Side*.

Shannon Clark's locker depicts her interest in Flag Corps, while **Beth Weinbrecht** wraps her locker in Muppet Baby paper.

WORKING DURING SCHOOL

Most of Euclid's seniors have a job outside school

Having a job was an important part in the life of most high school students. By the time they became a senior most students had a job. In a poll taken it was shown that 75.8% of the seniors had a job. This was very similar to the results of last year's poll in which 81% of the seniors said they had a job. Most of the students work between 11 and 30 hours each week. A few worked more than 40 hours every week and a couple even had more than one job outside school.

The money that the students earned was used to support their cars, buy clothes and other durable goods and supply the students with a means of entertainment. Some of the money also went into the bank to help them with college costs.

GOT A JOB

FROZEN

About 130 couples danced the night away at the annual Winterfest ball which was held from 7:00 -11:00p.m. on Saturday, February 11, 1995. "Frozen in Time" was the theme and the E-Room was decorated with snowflakes and ice. The colors were blue, silver and white making the atmosphere feel chilly. **Cindy Ciulla and Rafael Brown** were at the head of the court as Winterfest Queen and King. First King and Queen attendants were **Olen Steelman and Beth Blatnik**. Second attendants were **Mike Hoffman and Shenise Johnson**. **Mike Zivnoska** was Jack Frost, the Court Jester. The dances were great and every song under the sun was played. Winterfest was sponsored by Student Council and everyone enjoyed themselves in a situation that was Frozen in Time.

Varsity closes out regular season with 10-0 record

Running game. Those were the two words that summed up the 1994-95 #15 in the Nation (*U.S.A. Today*) and #1 in the state (*A.P.*) Euclid Panther offense. This from a team that was picked by the coaches at the beginning of the season to finish third in the G.C.C. It didn't have the super runners and players of previous years. It didn't have the depth. All it had was a bunch of kids that went out every Friday evening and outplayed all of their opponents. Out of the total 3,477 offensive yards that the panthers gained, **B. J. Harrison** had 1,448 yards and scored 15 touchdowns. The few times **Darnea Mc Kinney** did put the ball in the air, receivers like **Gary Dwyer**, **Jamie Willett**, **Pete Thomas**, **De Juan Goulde** and **Simeon Boddie** were there to catch it. **Darnea** threw for 729 yards.

Helping to gain yards was power fullback **Steve Duncan** and the great offensive line among whom were **Olen Steelman** (All G.C.C., All News Herald, All Northeast Ohio), and **Steve Pae** (All G.C.C., All News Herald). The defense was not unseen. **Gary Dwyer** had 4 interceptions, **Pete Thomas** and **Bryant Clark** had 3. The front line, let by **Shawn Leben** and **Antoine Kemp** held opposing teams to a total of 1093 yards rushing and **De Juan Goulde** had a team record in sacks with **Tim Rutti** putting on the pressure from the other end.

As this team became the 4th undefeated group in school history, they also became the first Euclid team to be ranked nationally and first in the state. Even though falling short in the playoffs against Strongsville, the 1994 Euclid Football team went beyond all expectations and will always be remembered as "The team that could".

New coach but wrestlers still struggling

TAKING IT TO THE MAT

Under the new coaching of **Chris Paporus** and **Craig Petty**, the 1994-94 wrestling team still fell short and turned out a disappointing season. The team consisted of many new wrestlers along with seniors **Josh Holland**(135#), **DeMarco Miller**(152#), **Shawn Leben**(215#) and **B.J. Harrison**(189#). The leadership of the team was shown by **Harrison** and Junior **Joe Tucceri**(145#), whose records reflect many hours of practice that payed off. Dedicated wrestlers will be needed for the upcoming years in order to improve their record. Juniors, **Tucceri**, **Nick Pfahl**(140#) and **Nate Davis**(103#) should help to make next year more fruitful.

Soccer teams get their kicks in

KICK THIS AROUND

The 1994 Boy's Varsity Soccer Team got off to a slow start since they were short of coaches for the ninth grade team. Because of this they were only able to manage a 5-8-3 overall record and finished in a fourth place tie in the G.C.C. They fought many close games that were decided by only a few goals. Standouts for the club were seniors. **Chris Kletecka, Rich Slade and Greg Pesek.** Dan Corleto, Eric Heiss and Mike Heramb were juniors that contributed much offensively. Seniors, **Kevin Gady, Kevin Gray, Brad Snell, Mike Swyt and Tom Walker** also helped out significantly.

Leading stealers were Katie Walker, Heather Nickell, Ali Kucinski and Dana Finotti. Sandy Brown and Laura Fifolt were co-captains for the squad. There was so much interest in girl's soccer that Euclid even added a J.V. team. They finished the season with a 7-7 record.

Hockey team not able to duplicate record from previous year

The 1994-95 Panther Hockey team began the season right, taking a second place at the Thanksgiving tournament. They played Olmstead Falls Nov. 25 and won 7-6, after one regular overtime and a sudden death overtime. They then continued, beating Garfield and losing a tough one to North Olmstead.

The team was led this year by senior co-captains, **Ben Mooney** and **Tony Verch**. High scorers included **Verch** and **Matt Carroll**. In goal, **Raymond Miller** started and freshman **Geoffrey Zevnik** was a great backup, saving over 25 shots in one game.

Keys to defense were captain **Ben Mooney** and junior **Vince Lombardo** and sophomore **Doug Zeman**. The team suffered because of a large number of varsity players who graduated last year. The future looks promising as the young team becomes more dangerous next year.

DIG OR DIE

Volleyballers not able to duplicate last year's sensational season

The 1994 Varsity Volleyball team consisted of 10 juniors and one senior. There was a lot of talent but a real lack of varsity experience. There was only one returning letterman from the previous year's squad and the majority of the other girls were coming up from the junior varsity. It was a year for great improvement and was an excellent learning experience for the juniors. They finished the season with a solid record of 9-12, and with 10 returning players for next year, they could have an unbeatable season.

Basketball began strong... UP AND DOWN

Although losing many players, the Varsity Panthers kept their poise. With the dazzling dunks from **Melvin Levett**, and the supreme shot blocking of **Larry Taylor**, the Panthers pounded their opponents. The panthers traveled to Stow and upset the Bulldogs. They had a strong beginning but had a tough middle when they lost a couple of key players when their parents were not pleased with their grades. They returned at the end of the season and helped to make a strong finish. They were not able to keep up with Nordonias but they had a lot of exciting games.

The Junior Varsity team had a successful season under the direction of coach, **Dennis Turkall** and were able to pull off many clutch victories. The freshman team, on the other hand, totally dominated their competition and finished the season with a 17-2 overall record and 14-0 in the G.C.C. despite losing key players to the varsity and J. V. teams.

Girl's basketball increased expectations as season developed SHOWING SOME IMPROVEMENT

This year's Lady Panthers discovered the true meaning of the word TEAM. When they worked together, they were almost unstoppable. They proved that by winning 7 of their 10 second half games. After an unfortunate injury to one of their co-captains, everyone stepped up to fill her shoes by putting in extra time after practice. Coach **Pignatiello** and Coach **Haluska** were very impressed with the togetherness Euclid found and they should be ready for an excellent 1995-96 season. The Lady Panthers planned on practicing together during the off-season so that next year with eleven returning players, they should be the team to beat.

Tennis showed slight improvement over previous year

The 1994 Varsity Girl's Tennis Team once again attempted to fulfill Coach **Pete Swope's** motto of the 3 C's: Control, Command and Confidence, but only placed fourth in the G.C.C. The girls played well, and although the record doesn't show it, lost many tough 3-set matches, and had team scores of 2-3. Leading the squad were senior co-captains **Janeen Miklowski** and **Leah Walczak** (Most Valuable Players) at first doubles, who held one of their own best personal records. Returning underclassmen included sophomore **Maryann Oroz** at first singles, **Cathy Gibbons** and **Jennifer Hrovat** alternating at singles' positions, and the dynamic duo of **Angela Meros** and **Kristina Geiger** at second doubles. With **Meros, Geiger, Oroz, Gibbons, and Hrovat** returning, next year's team should continue to improve, while **Mr. Warman's J.V. team** will also improve.

Golf, Row one: Pat Grisez, Bud White, Mike Doyle, Jay Kletecka, Tim Fogarty. Row two: Jim Naro, Jay Boje, Mike Mukavetz, Aaron Boyce, Brian Gecewich, Kevin Evans, Coach Bob Ramlow.

The Panther golf team finished with a 10-6-1 overall record which gave them a fourth place finish in the G.C.C. and was a vast improvement over the 5-7 record that they posted the previous year. Sophomore **Bud White** had a strong season by finishing first in the G.C.C. tournament, averaging 40 shots per match, and being selected to the all G.C.C. team. Another sophomore, **Adam Ayer** averaged 42 shots and had a fine season. Senior **Aaron Boyce** and Junior **Joe Boje** played great as they battled for the #2 spot all year. Team leadership was found in **Jim Nero** who was captain of the players. **Jay Kletecka**, **Tim Fogarty** and **Kevin Evans** were other golfers who earned letters for their fine year's work.

With the team losing only 2 seniors, they will be looking for even more improvement next year.

Girls swim to a perfect 12-0 record

The 1994-95 Lady Panther Swim Team reclaimed the Greater Cleveland Conference title by going undefeated during the regular season and then taking first place in the G.C.C. meet. Mrs. **Joan Bush**, who has been the girls' coach for the past four years did an excellent job of motivating the girls to do their best at every meet. The lady panthers had depth, talent and worked very well together which were some of the reasons for the team's success. The many underclassmen should insure that the team will do well in future years.

Boy's and girl's cross country

The boy's cross country team didn't do quite as well as they did the previous year. This year they lost one meet whereas last year they were undefeated. Their only problem was with North who beat them both in the dual meet and at the conference meet. The Panthers partially made up for it by defeating them at the District and Regional meets. The leading times were run by Senior **Ken Schuster**, (All G.C.C., District, News-Herald, Regional and 42nd in the state). Junior, **Tim Carney**, (All G.C.C., District) was another important member of the team. Sophomores, **Paul Glowacki**, **Adam Hines** and **Derek Stanic** all made 2nd Team All G.C.C. With only one senior graduating there should be a good beginning for the next year.

Sophomore **Carolyn Gudaitis** also rejoined, along with freshmen **Becca Borchert**, **Erin Kilkenny** and **Jill Smialek**. The girls worked very hard to earn their 5-4 record which gave them fourth place in the G.C.C. and an improvement over last year's season. Although they didn't make it out of Districts, they ran their best and should provide a strong team for future years.

Indoor Track prepares athletes for the outdoor track season

The Indoor Track team was again very successful. With the cross-country team coming off one of their best seasons, the distance runners did a lot to help in the scoring. Many young, talented sprinters like **Lamonte Foster** and **Deleonte Brown** worked together with hurdler, Co-captain, **Bryant Clark** and 1/2 miler, Co-captain, **Jamie Willett** made it a great season. Two distance runners that led the team were **Tim Carney** and **Ken Schuster**. The girls, led by Co-captain **Roschell Ashley** accomplished much in the sprint events with **Kisha Phillips** and others.

SOMETHING TO CHEER ABOUT

Cheerleaders add spirit to football and basketball

The 1994-95 Panther cheerleaders had an excellent year. They started off at Akron summer camp where they made many new friends and earned several awards. They were awarded a third place trophy for their homemade dance routine, a superior plaque for the entire week, and the most spirited squad award. This prestigious award came with an automatic bid to the national competition in Walt Disney World, Florida. This was an excellent accomplishment for the cheerleaders because no Euclid squad had ever been able to qualify for such an event.

After camp and summer were over, football season arrived and the girls were able to cheer their team on and watch them become Division I champs once again.

The team's adviser was Mrs. **Bonnie Smith** and was led by captains **Gina Zeman, Wendy Lapuh, Melanie Shippitka, and Laura Fifolt**. There were many high hopes for another fun and successful year in 1995-96.

ACTIVITIES

High school is much more than just a place to learn about curriculum. There are many other activities that the students can participate in both during and after the school day. Sports are some of these things but there are also many clubs and organizations that students can enjoy. If there isn't an organization that students are interested in they can get together and get an adviser and begin their own club. The opportunities were limited only by their minds.

Mary Kunes has been a Majorette for most of her years at Euclid. Doloris Orbanic, Carrie Mack, Fritz Streiff, Shona Mc Cune, Tim De Wine, Meron Yimen and Kristina Geiger enjoy the times they had together in A.F.S. club. Wayne Arndt, Ed Mc Connell, Kathy Copic, Kris Eminger, Kristina Geiger, Christina Fabert, Katie Mc Guinness, Sharon Hollis, Kate Walker, Lindsay Freeman, Gina Zeman and Brian Udovich enjoy the good times at Student Council.

Students interested in journalism get a chance to work on the Survey.

Todd Vici, Omar Coles, Shaun Holness, Joe Dula and Mike Guarnieri are interested in music and are members of Euclid's Marching Band which performs at half-time of the football games and in many other events.

Cheerleaders, Wendy Lapuh, Rashanda Lockett, Melanie Shippitka, Tanisha Blackwell, Christina Fabert, Gina Zeman and Kim Petrik had lots of fun cheering for the Panther Football team.

Kendra Proctor was able to participate as a Flag Corps member on the field during half-time.

Suddenly, after months of marching, standing at attention for what seemed like days, and playing upbeat, blasting tunes, students were thrown into a new style when marching band ended. Members of the Symphonic Concert Band had to sit still, follow downbeats, and played with dynamics other than triple forte (for those of you who didn't speak the band jargon, this meant extremely loud).

This year the band consisted of about 70 students who rehearsed every day during 4th period. The band played five major concerts during the year. For the third year in a row, in January, the band members

played a combined concert with the Hillcrest Concert Band. The director, **Paul Lawrence**, said he hoped these concerts become a tradition.

In March, the band took part in the Ohio Music Education Association (OMEA) large group contest. Other concerts included the Winter Concert, Spring Concert, and the All-City Concert. Many band members took part in solo or ensemble contests. Also, many students were involved in other musical activities outside of the band. The Symphonic Concert Band was directed by Miss **Diane Tizzano**.

The musicians practiced every day preparing for their scheduled concerts. In addition to normal concerts throughout the year, the orchestra performed at the I-X Center and also gave a performance for the 9th and 10th graders. Small groups in the Orchestra competed in solo and ensemble contests. Overall, it was a fun and productive year for all members.

HALF-TIME SHOWOFFS

Marching Band brings musical entertainment to football games

Marching Band was not all hard work, it was also fun. What was it that they did in Marching Band? They marched and when they were not marching they were practicing. When they weren't practicing during rehearsal they were tossing anything across the band floor, jamming with others on different pieces of music or just going crazy.

Marching Band, on average, performed about 15-20 shows during the season. That included all the football games, festivals, parades and performances for other schools. It takes a lot of work to get all the different instruments and people together into a cohesive unit and that was why Marching Band began three weeks before school began for everyone else. It took a lot of work to write the shows, learn the music and practice everything so it could be performed in front of the halftime crowd.

WGAN

Euclid's 1994-95 Flag Corps began their season with a bang!. With new director, **Betsy Leonetti**, and captains **Chris Puglia** and **Tara Van Ho** along with Lieutenants **Amy Barber** and **Kisha Jones** the corps took on a fun and challenging year. The Corps was reduced to a 19 girl squad, but that didn't stop the girls from conquering eleven football games, various parades, festivals and a competition. When their 4 months of long, hard dedication had come to a conclusion, it was time to say their good byes to the end of yet another great season. Everyone was sad to see the seniors leave but the underclassmen moved up to take their places in the program.

Under the direction of **Bea Grushcow** and **Ken Ferlito**, the Varsity Chorale touched many hearts and performed in a variety of different places around Euclid including numerous nursing homes and elementary schools. The highlight of the year was having the honor to sing on the Morning Exchange. The Varsity Chorale also went to Toronto for their annual trip. They performed more than 20 shows during the winter holidays and many more shows were presented during the Spring. The students involved in Varsity Chorale feel that they are a family and develop a close relationship with each other since they see each other throughout the day and after school at practices. Varsity Chorale was a group of committed people who did what they love most, to perform and to sing.

MARCHING TO

Euclid High School was introduced to a new program this year. It was called the Naval Junior Reserve Officers Training Corps or **NJROTC** for short. Euclid was one of 45 schools in the U. S., Japan, and Italy to begin a program in 1994 and one of the 360 active units established since 1966. **NJROTC** was about ships - Scholarship, Citizenship, and Leadership. Not only did cadets learn about the military but, more importantly, they learned about themselves. Commander **Tomsic** and Sergeant Major **Isaacs** assisted the cadets with organizing many fun filled field trips like the time one of the Blue Angel's pilots came to speak to the group about flying. After a brief stay with the Blue Angels they got to go to Burke Lakefront's special VIP section to see the Blue Angels in action. Their rifle team and Academic team were proudly able to represent EHS in National Competition. The Color Guard performed during the Homecoming game. Many cadets were also able to participate in Honor Details during the football season.

The Color Guard also carried the flags for the Cavs vs. Golden State game at the newly built Gund Arena. After a few months of drilling and learning standard regulations cadets were promoted to positions of higher responsibilities. Some of their responsibilities were to arrange field trips such as sea cruises aboard Naval and Coast Guard vessels and visiting Naval and other military facilities in different states. Many of them were in charge of certain departments such as Administration, Supply and Operations and such jobs as Public Affairs Officers, Armory, Platoon leaders, Squad Leaders, and Mustering Petty Officers. **NJROTC** was worth giving a try because participants learned many interesting things in a multitude of subject areas and about themselves. They got a chance to experiment with Leadership styles and learned management through application and trial and error. All of this and they got to have fun while doing it.

Clinic aides are there HELPING THE SICK for students who need them

If you had a free period in your schedule, you might have thought about being a clinic aide. Clinic aides had the opportunity to spend a whole period providing their services to students who needed them. The beginning of the year was the most hectic because of all the incoming freshmen but as the year progressed it became more routine. The job of a clinic aide consisted of getting students out of class for physicals, hearing and eye tests and doing mail runs. It was a really good way to meet a lot of the people in the school. The health aides, Mrs. Donata Schulz and Mrs. Mickey Segulin provided endless help and amusement for the aides.

S.A.D.D. wants all students to be responsible

Every year thousands of teenagers are injured or killed because of drinking and driving. The purpose of S.A.D.D. (Students Against Driving Drunk) was to get the message out to the students that driving and drinking should not go together. Before the winter break members passed out to all students red ribbons to be worn as a reminder to not mix driving and drinking.

Kids on the Block was a group of students that used puppets and performed at various elementary schools and tried to get a message across to the children about a variety of subjects such as name calling, divorce and drug use. Mrs. **Joan Paskert** was the adviser for the club.

Office Aides help keep the offices functioning

There were many jobs that had to be done by the different offices at Euclid High School and it was the Office Aides who helped make those jobs manageable. The Office Aides gave up one or more of their study halls so they could help the secretaries in the different offices throughout the school. They helped the staff with filing, attendance reporting and running around the halls to give messages to teachers and students. They decorated the offices and made them a more enjoyable place to be. The school would not have run as smoothly without them.

BEING A SERVICE TO THE SCHOOL AND COMMUNITY

Key Club is a national organization that help others

Key Club was an international service organization in which members learned the true meaning of the word *service*. It's purpose was to of service to the school and the community. They collected food and money for needy families, and sponsored many worthwhile activities. **Tom Walker** was the President of the club and **Mr. Allen Black** was its adviser.

Ski Club had fun GLIDING DOWN THE SLOPES out in the snow

What did you do on Thursday evenings during the winter? That question was easy to answer for members of the Euclid High School Ski Club. They were out learning to ski at Boston Mills Ski Area. The school program allowed members to ski every Thursday that there were skiable conditions throughout the season. Students were able to take lessons at every session if they wanted to or just go out and ski if they already knew how. About a quarter of the members had their own skis but most of them got their equipment at the ski area. Ski club gave students who were not normally able to ski with friends or family a chance to learn to ski and be with a lot of other people in the same situation. Ski Club was for beginners. Everyone took lessons and was able to progress to a higher level of skiing ability after just a few sessions. Adviser, **Bill Von Benken**, remarked "It's just so enjoyable to watch the beginners come out and struggle at first but have so much fun doing it and to progress to a point of much higher enjoyment and proficiency throughout the season. Skiing does this since it is such an unnatural act. Everyone begins as a klutz, but no matter what level you ski it is so much fun as witnessed by the smiles on the students faces."

Yashiko Nakano, Jamie Smialek, Helene Schwartz, Kristen Sacko, Jessica Sas, Mike Praskavich, Paula Sustarsic, Jamie Godec, Danielle De Boe, Mike Swyt, Josh Holland and Jamie Willett meeting with their instructor for their first lesson. For many of them this was the first time they ever had skis on.

"It's fun and I think everyone should join. Everyone should learn how to ski. It's something you should know in life"
Laura Fifolt

"Ski Club was a good way to spend time with your friends for your senior year and something else to do."
Jamie Willett

Doug Zeman, Kevin Evans and Gina Zeman had their own skis so they were able to go out skiing right away but they later took lessons to improve their skills.

Lindsay Freeman getting ready to put her skis on so she can enjoy an evening of sliding on the hills.

"I just started skiing and I'm learning...I'll be better by the end. It's fun when you can't ski and it's funner when you can and you can have fun even if you can't ski well. I got better."
Mike Praskavich

"Ski Club was a lot of fun. It's the first time I ever skied in my entire life and I went down the big hill with Von's help...it's a lot of fun and I'm going to do it again next year"

RECAP THE YEAR'S EVENTS

Euclidian preserves student's memories for a lifetime

Angela Miklavcic working on page layouts on the computer while Stacie and Becky Glavan take a break after writing several stories.

This year's Euclidian, aptly titled *Look At It This Way*, displayed the numerous changes in the 1994-95 school year. Students involved with the Euclidian assisted the production by selecting and identifying pictures, updating data, tallying responses in questionnaires, writing stories, and running errands to the offices. The yearbook showcased the many events and activities of Euclid High School, and allowed student and faculty input.

HELPING THE EARTH

S.A.V.E. wants everyone
to help keep the earth beautiful

Students Against Violating the Earth was Euclid's little known environmental group. It consisted of approximately ten members with only one returning from last year's group. Their major projects during the year included a larger aluminum can recycling program and Adopt-a-Wolf and Adopt-a-Dolphin sponsorship. They also began a major paper recycling campaign making Euclid one of the first large high schools in Ohio to achieve that. With their adviser, Ms. **Barbara Breeden** and all members returning next year, they planned to expand their recycling projects to more Euclid students and become more active in the community.

HELPING THE ATHLETES

Sports Aides help keep the teams in top shape

Dana Vance, Katie Baioni and Hannah Davis were trying to help Antoine Kemp as much as they could.

The Sports Aides were students who assisted the football, basketball and hockey teams. Their main responsibilities included supplying the athletes with refreshments, first aid and any thing else that they might be needing. They did many of the little, unrewarding tasks that were necessary to keep the activities moving smoothly.

-Janeen Miklowski

After injuring his leg, Steve Duncan was administered to by trainer, Wendy Case and the sports aides.

Trainer, Wendy Case, is appreciated by Katie Baioni, Erin Vincenti, Beth Kramer, Lisa Primosch, Hannah Davis and Katie Baioni helped the football team post an undefeated regular season.

LEARNING ABOUT TEACHING AND POETRY

Future Educators Club

shows students what it's like to teach

Future Educators of America was looking out for America's future. Under the direction of advisers Mr. Frank Jablonski and Mrs. Judy Zubizarreta, and president Jenna Brzezckowski, F.E.A. helped interested students prepare for a future in teaching, school administration or school counseling. Some of the activities that the members participated in were bake sales and shadowing teachers in the middle and elementary schools.

-Tara Van Ho

F.E.A. members Christina Marcelli, Jenna Brzezckowski, Tara Van Ho, Mary Kiral and Carrie Howell listening to Adviser, Frank Jablonski, explain what will be going on throughout the year.

Poetry Club lets students express themselves through verse

Poetry Club was begun last year by some students who were interested in reading poetry. It continued this year under the direction of Advisers Barbra Spiga and Joyce Russo. During meetings, members read poetry that they have enjoyable or read verses that they have composed during the year.

Poetry Club members, Valerie Spears, Jon Schied, Leah Walczak, Rafael Brown, Gwen Wurm and Amanda Davis and Advisers, Barbara Spiga and Joyce Russo listen to poetry at a meeting.

UP CLOSE AND PERSONAL

Close Up gives students a chance to see how government works

Close Up members Stacie Glavan, Marie Salupo, Helene Schwartz, Beckie Glavan and Pat Dilalla listen to Mr. Wayne Smith as he describes what has to be done in order to participate in the trip to Washington.

Want to see how the government runs? Then Close Up was the club for you. The members of Close Up sold candy and did other things to raise money for their annual trip to Washington, D.C. in the spring. There they met with other Close Up groups from around the country and visited many historic places in the nation's capital and attended meetings of the Congress and the Senate. They were able to see the government process close up. Mr. **Wayne Smith** was the adviser for the group.

What "Wai Napolo" means, you may never know. But you could know what they did. Wai Napolo was Euclid High School's synchronized swimming club, made up of under 20 members. Every May, they performed a spectacular water show made up of many group and individual routines. This year, they swam to showtunes. Mrs. **Katie Morris** was the adviser for the group and **Karen Gezann** and **Kristin Kish** were Co-Presidents.

LEARNING ABOUT OTHER CULTURES

Culture Club helps students understand foreign life style

Culture Club was organized this year to meet the interest of Euclid students in foreign cultures. Mrs. **Ingrid Koenig** was the adviser. Meetings were informal, but productive as membership was small. This year the Culture Club offered foreign language tutoring through the help of foreign language teachers and student volunteers. The club also had a holiday party and went on cultural field trips, such as a visit to a Japanese restaurant. More activities were planned for upcoming years.

WORKING WITH THE LITERATURE

Library Aides help keep the Library in order

Library Aides, Najah Weeams and Erin Brzezinski working in the library.

Numbering only two, the 1994-95 Library Aides had to work diligently to help keep our school's library neat and orderly. Their main responsibilities included shelving library materials such as books, magazines, and pamphlets, while maintaining the library. As always, the library aides looked ahead to their annual picnic at Memorial Park in the spring.

Eucuyo publishes the creations of Euclid students

Allison Hrovat, Jennifer Hrovat and Courtney Strah, as well as Sarah Kale and David Tisi listen to what will be happening throughout the year as far as *Eucuyo* is concerned.

Eucuyo was an award-winning literary magazine, showcasing the creative talents of the writers and artists at Euclid. Headed by advisers Mrs. Judy Stobinski and Mrs. Joan Lidrbauch and editor Leah Walczak, the staff raised money for expensive production costs in the early part of the year. Springtime meant choosing which poems, short stories, essays, photographs, and artwork would appear in the magazine. An equally difficult task was arranging the pieces into a satisfactory layout. The issue came out near the end of the year, proving that Euclid houses some extremely imaginative and talented artists and writers. *Eucuyo* continued its legacy of expressing the thoughts and reflections of youth.

TRANSMITTING AND

Media Aides have the technology to get the information out..

The Audio Visual Club was the life of the school. All of the movies, copies and other equipment were all provided by that club. Under the direction of adviser, **Allen Black**, the members produced the morning announcements as well as all technical portions of assemblies, programs and plays. Members were trained to use cameras, stage lights and sound systems. The club was responsible for delivering AV equipment, fixing copy machines and acting as an overall service to teachers and students.

Broadcasting the school's news was the duty of the P.A. Announcers. Every day, specific students were assigned to arrive at school by 7:25 a.m. in order to prepare. Airing live, the announcers informed and updated the school on current events, sports, and other activities. With the assistance of the Media Aides, who set up the cameras and controlled studio production, the P.A. Announcers were able to present the school's highlights every day.

The Survey distributes information throughout the school

It was stimulating being involved in the making of the school newspaper. It allowed the participants to see how all the activities came together and how the production of the paper occurred. From giving out the assignments, to seeing that they were carried out, to seeing the issue go to the printer, it was a very involved process. Of course, there were always surprises that developed, but these only served to keep the staff on it's toes.

It was also scary knowing that what was put in the paper was seen by over 3500 people. You were part of a team that was responsible for telling people, whether inside or outside the school, what was happening with the students of Euclid High. Seeing the finished product made all the work worthwhile and seeing their name on a story made the staff members forget how many headaches they had to go through to get it out. Mr. **Stan Bender** was the new adviser for the Survey and had to learn a lot about how to get everything to work together.

This year the D.E.C.A. (Distributive Education Clubs of America) had a new teacher. Mrs. Jean Jelinic became the new adviser after the former adviser, Mr. Jim Presot moved to another school. D.E.C.A. was a student run club that coincided with Euclid's Marketing Education class. It was designed for juniors and seniors who were interested in a career in marketing and management. In their junior year, the students attended classes and studied the stock market, business finance, marketing research and many other business related activities. Seniors spent part of their day in school learning about everything from job interviewing to advertising and sales. During the remainder of the day they were employed in retail establishments within the Euclid area in a variety of retail, wholesale, of service capacities. In D.E.C.A., students competed against other high school students on the local, state and national level in areas related to their career interest.

On October 31, 1994 Euclid High School celebrated its annual Halloween dress-up day and many students came to school dressed as many spooky, scary or cute characters. During the lunch periods Student Council sponsored contests for the different types of costumes. The activities continued into the evening with the Children's Halloween Party for youngsters in the community. Student Council members were dressed up and there were many games for the children to play. Varsity Chorale performed several numbers during the evening and **Kathy Copic** put on a magic show. It was a wet and gloomy night outside but the students inside had an enjoyable time.

Some of the organization's community service projects included reading to elementary children during Right-To-Read week, and getting involved with Habitat for Humanity. N.H.S. was designed to recognize the school's best. Elected as President and Vice-President were Leah Walczak and Wendy Lapuh, while Janeen Miklowski and Kesha Buggs held the offices of secretaries and Laura Fifolt was the historian. They had a change of heart, however, and returned them in time for their usual holiday activities.

Student Council is the organization that gets things done

Student Council went through a series of changes this year. A newly developed executive board allowed every class to have their own officers. Because of this there were many new faces. Though many of these officers lacked experience, it was made up for by their enthusiasm and energy. Great ideas from these students combined with good attendance contributed to a successful year of EHS student government.

The beginning of the 1994-95 school year saw the counselors in their new offices in what used to be the Panther Den. It also saw a new principal, Mr. Robert Knuth, who was announced following the resignation of two-year principal, Mr. Bill Scoggan. Mr. Knuth's office was moved back to where the principal's office was several years ago in the Administrative Corridor. Other changes that occurred in the offices were the hiring of new secretaries to help keep track of attendance and the installation of more phone lines so that secretaries and teachers could make more calls home to parents. It was felt that the way to improve attendance was to contact the parents at home and if they couldn't be reached at home then they would be called at work. More security guards were hired to help enforce the school rules so the school could run more smoothly.

Robert Knuth is principal and Director of Secondary Education

Mr. Robert H. Knuth became the principal of Euclid High School near the end of the summer following the resignation of former principal, Mr. Bill Scoggan who left to take another job in Oklahoma. Mr. Knuth was a graduate of Euclid High School and has been the Director of Secondary Education since 1989. He retained both jobs during the 1994-95 school year. He tried to improve the school climate by establishing a stricter discipline policy and made sure that every student was aware of what was expected of them.

The new principal instituted a dress code that limited some of the clothes that students could wear to school. This did not, however, alter what **Rafael Brown** and **Fritz Streiff** wore during Homecoming week when the students were to dress up in '70's fashions.

LOOK AT THE CHANGES

Lots of things have changed at Euclid

A new class established this year at Euclid was the NJROTC program. After graduation the participants get financial help for college and can be commissioned officers in the Navy. Here is one of the classes drilling during their classes.

With the installation of a new principal many things have undergone change. There is a new attendance policy, a new tardiness policy, a new dress code, a new eating policy, a new parking policy, a new suspension policy and a new classes. The policies were installed to try to solve problems or to keep new ones from developing. The new attendance and tardiness policy was installed to decrease the increasing number of absences and tardinesses to class. The dress code was to make the students look better. The no eating in the halls and classrooms policy was to help keep the school cleaner. The parking permits were needed to keep track of the students who drive to school. Some students did not like the new policies but they were instigated because students were not following the rules. If everyone behaved there would be no reason to have rules.

Mr. **Bill Kazen** was one of the teachers in charge of the In-school Suspension Room which was a much stricter place this year.

Chris Tratnik monitors the activity in the hallways and outside the school using the cameras that were installed throughout the school.

Eric Stambaugh, Shannon Moore, Mekeleya Yimen, Mary Wolf and Meron Yimen learn about French foods in Mrs. **Pla's** French III class.

IMPROVING ATTENDANCE

New policy hopes to improve attendance

In an effort to improve a lowering attendance rate, a new attendance policy was adopted for the 1994 school year. In order to implement this a new person was hired in the attendance office. Parents were required to call in if their children were absent. If a call was not received the secretary would call home to find out about the absence. After school the teachers received an absence list and they would have to indicate whether or not there were any discrepancies between it and what they found in class for the day. Any differences had to be reported to the attendance office. The following morning the teachers received an updated attendance list which had some of the errors corrected. Throughout the day students were called down to the offices and had to explain why there was an error. Because of that the attendance list was much more accurate than in previous years.

Because of the new attendance policy teachers had to go down to the Main Office right after school to check their absence lists and record any discrepancies. Here are **Bob Ramlow** and **Pat Buck** comparing their absence lists with their class attendance.

Kevin Carlson knows that it is important to be in school everyday and to follow the attendance rules.

Heather Koczur tries to impress upon her class the importance of being in school every day and have a valid excuse if you aren't present.

Students cannot learn if they are not in class. These students are in class and learning.

LEARNING ENVIRONMENT

Euclid provides students with a place to learn

In order to learn students had to be in a place where it was clean and the teachers and the surroundings were a positive influence. Euclid had many fine teachers who were concerned with the welfare of their students so they had an opportunity to succeed

Deborah Petrick tries to get her students to understand the importance of a foreign language.

Head Football Coach, Tom Banc, watches the action taking place on the field so that he can send in the right play.

Brandi Wright is one of Euclid's students trying to get a good education.

UNDERCLASSES

Students spent three years as underclassmen at Euclid High School. During that time they went from being a new freshman who was in awe with the size of the school to juniors who were well versed in the operation of the building. It was a growing up and learning process that they all had to go through. It was necessary to prepare them to become seniors.

Jennifer Mc Creight works hard to improve her tennis game for next year.

Joi Hutton shows a lot of concentration as she waits for her cues during a half-time performance.

Erin Vincenti and **Beth Kramer** help out with the football team by supplying the players with water during the game.

Freshmen

When the freshmen arrived at the high school they were faced with four years of education ahead of them.

Ben Mooney, Randy Scott and Mike Pikus came to enjoy their time at Euclid High School.

Juniors

Angela Miklavcic knows that studying is the only way that she is going to be able to succeed.

Alison FitzGerald works hard in her classes but also has time to be a member of the volleyball and other sports teams.

Paul Glowacki and Derek Stanic enjoy their time on the cross-country course.

Class of nineteen hundred and ninety eight

Freshmen begin their years at Euclid High School...

The Class of 1998 came to Euclid High School with a sense of awe. They couldn't believe it was so huge. Two pools, two gyms, an indoor track, a planetarium, the E-room; there was just so much to it. Much time was spent trying to figure out where their classes were and how to get there. It was hard to believe that in a few short years these freshmen would become seniors.

Mandy Mc Peek and **Lindsay Freeman** watch as **Stephanie Fox** signs an interest form for Student Council on her first day at Euclid. **Stephanie** made a typical remark about Euclid when she said it was "confusing...big and hot" and that she was "looking forward to volleyball".

All the freshmen gathered in the Auditorium the first day of school to learn about Euclid.

Emanuel Burton, **Antoine Fisher** and **Mike Higgins** enjoying their lunch on the first day of school. **Antoine** said "I enjoy the football games...I'm going to be playing taliback". **Mike** said "I'm playing football...cornerback like I did in middle school".

SOPHOMORES Class of '96

Becoming more comfortable

The sophomore year was an enjoyable one for most students. The building was much more familiar and it was much easier to find your way around. After escaping from the ninth grade most students were able to establish themselves as young adults who wanted to get ahead. Many chose that year to become involved in the many extracurricular activities that were available such as sports and clubs.

Louis Besse and Lino Sergio are involved in their classwork as well as outside activities. Karen Gezann, Leah Walczak and Jenny Mc Creight enjoy their lunch.

Jaina Blackford, Meghan Orazen, Amanda Edsall and Sara Arnold were enjoying their sophomore year when they dressed up for Halloween.

Larry Dissauer is learning how to manage his time between his studies and everything else he is involved in.

A YEAR FOR MATURING

"To me sophomore year is different from freshmen year in a way that the togetherness is gone and classwork is much harder because is expected out of you."

-Marianne Wilson

"This year has been very good for me. I believe this year I have matured more and I'm really ready for a challenge this year."

-Carmekia Harris

"I have matured a lot over a certain period of time. I'm just a sophomore, but it doesn't feel that way. I feel this year is easier than last year as a freshman."

-Veronica McGraw

Stephanie Di Biase, Jenny Mc Creight, Beth Weinbrecht and Danielle Calabrese find much warmth and friendship with other members of the Marching Band.

Sophomores grow wiser and older as their journey through high school continues

Many sophomores felt that their freshman year was a time for banding together and forming superficial relationships to resist the pressures of a huge, new environment. After becoming sophomores, however, more time could be devoted to forming more intimate relationships that could last a lifetime. Sophomores looked at relationships differently from the way freshmen did.

-Marianne Wilson

"This year has been good. Not as much fun as last year because freshman year was a lot easier. Being a sophomore has helped me mature. The work is more challenging."

-Angela Suchy

"I feel that the teachers treat us more like adults and I think that we have matured much more since last year."

- Stacy Lesefky

Maryann Oroz, Colleen Taylor, Laurie Salvatore, Kristin Samsa, Alexis Grubach, Jay Kletecka, Dana Vance, Keith Baron, Matt Carroll, Kevin Evans, Rick Pecnik and Tim Fogarty show some of the closeness that sophomores exhibit.

Mary Greishammer, Maria Negolfka and Ann Feldkamp look to have long and lasting memories of their days at Euclid High School.

Joe Strunk, Creig Sulecki, Jessica Serwatka and Rachel Ackely know that being friends is the only way to look at their high school years.

"My sophomore year has been very good."

-Sam Robinson

"My sophomore is so confusing I don't know what to do"

ENJOYING THEIR YEAR

Gaining seniority

Freshman year was history. Sophomores looked forward to more freedoms and responsibilities as they continued their trek up the ladder of seniority at Euclid High School. New friendships were formed, others matured while some dissolved. The togetherness experienced as freshmen decreased as individuality developed.

-Jewel Hagood
-Marianne Wilson

Laura Carse and Katie Sierputowski have extended their friendship into their sophomore year and are looking forward to many more years of communication.

Brandon Johnson, Eric Lassiter and Rashida Range use the Library as a resource to advance their learning skills.

Kristin Samsa, setting up for the J. V. Volleyball team, hopes to move up to the varsity in future years.

GETTING DOWN TO BUSINESS

Students in Mr. Hollingsworth's biology class learn about the living things around them.

Rich Gentile, Valerie Mehring, Heather Kinison, Carrie Sharp and Meghan Nagode are learning about the chemicals around them.

Class of nineteen hundred and ninety six

Brendan Mc Gee

BECOMING MORE MATURE

Juniors are happy they only have one year to go

Many students liked school but almost everyone agreed that they wanted to be out of high school and be able to get into the rest of the world. Juniors were one year closer to that goal than sophomores and two years closer than when they were freshmen. Many juniors agreed that it was a year of maturing and time to begin planning seriously for the future. Post high school plans had to be made and most of the students were thinking about which college they were interested in. They were making decisions that could very well affect what would be going on for the rest of their lives. Of course, many juniors had no idea what there were going to do but many others were planning ahead and getting information about choices.

Many of these students will be thinking of the future very seriously.

Beth Weinbrecht, Missy Bonfiglio, Kelly Smith, Kristen Sacko, Mike Praskavich and Jim Swyt know that a knowledge of science will help them in the future.

Jennifer Mc Creight enjoys playing tennis but she is also academically oriented so that she will be able to look on to higher education

Juniors, Margy Mihalic and Julie Dacar, show how much more mature they are than sophomore, Todd Vicie during Halloween dress-up day.

GROWING UP

"Junior year is kind of scary because you have to begin making decisions that affect the rest of your life."

Katie Mc Guinness

"I feel that junior year is the most challenging of all my years at Euclid High School. Not only do you have social pressures but an increase of academic pressures."

THE JUNIORS

Juniors were very similar to most high school students in that they wanted to express their individuality. Some of the ways that students expressed their individuality were through the way they dressed, the way they spoke, the music they listened to and whom they associated with. One of the greatest pressures that students were exposed to was that of peer pressure. The true individuals didn't care what others thought of them but most of the students were only concerned about how they were perceived by their peers and did not want to do anything that they felt would not be approved by the students around them.

THIS WAY

SENIORS

The students entered their freshman year filled with excitement and fear. Now, as they looked back on graduation, they experienced similar feelings. Though they may feel that way, they must not forget the changes they've gone through, growing in different ways, the times of celebration and the times they would rather forget. Many changes occurred to those little freshmen who began at Euclid four years ago. They grew academically, socially, physically, emotionally, athletically and many other ways. Some students excelled in certain activities while others excelled in other things. Emotionally students grew and learned how to love, have faith, control hatred, and even trust. There were good times and bad ones. Hopefully they got a chance to learn from everything. Being a senior was a wonderful thing for most of them.

Matt Hoffman, Darnea Mc Kinney, Ron Rucker and Maria Barker enjoy working on their assignments in the Library.

Joe Marcelli and Sarah Kuhen have known each other for years and are looking forward to a rewarding life after high school.

Many seniors look forward to their last year

Being a senior was what almost everyone in high school wanted to be. It was being at the top of the ladder. It meant having the most responsibilities. It meant having underclassmen looking up at you. It was as high as you could go at Euclid High School. You had to set examples for the rest of the school. The seniors were the ones who were the leaders.

Seniors were an important part of the football rallies.

Lindsay Freeman, Liz Domin, Marina Corleto, Katie Baioni, Dana Vance, Amie Salerno, Jamie Piscitello and Kevin Gady had a good time at the Homecoming Dance. Homecoming King, Ben Mooney and Principal, Robert Knuth enjoyed each other's company during the Homecoming game.

GOING THROUGH EUCLID SCHOOLS

☒ Yes 51.0%
☒ No 49.0%

Lower percentage of seniors have been in Euclid schools their entire life

Seniors were asked whether or not they had attended Euclid schools their entire life. 51% responded that they had while 49% responded that they had not. Of the ones that had not attended all their years the range was from eleven years to one year in the Euclid system. When the same question was asked in 1994, 61.3% responded that they were in the Euclid schools their entire life.

Have you attended Euclid schools all your life?

Most of the students in this picture have probably gone to Euclid schools their entire lives.

☒ Yes 82.2%

Most Euclid students have a house to come home to

In a poll, seniors were asked whether or not they lived in a house. 82.2% of the seniors responded that they did, while 17.8% said they didn't. In last year's poll the response was 86.2% lived in a house. These numbers are almost equal, so there doesn't seem to be much difference in the city's housing.

This was very comperable with last year's poll in which 6.2% felt they could and 80.2% felt that they couldn't. Some of the people that responded 'maybe' added that it depended on who you knew and on special circumstances.

BEING IN SCHOOL

Most seniors realize the importance of school attendance

Seniors were asked whether or not they usually came to school every day. 82.5% of the students replied that they did while 12.6% of them said they didn't. In last year's poll, 85.6% said they usually came every day and 10.0% said they didn't. The results were very similar with no significant difference between the two years.

Do you usually come to school every day?

Jennifer Zelenskis and Meg Wolchko have good attendance records since they enjoy being with each other at school.

Darnea Mc Kinney spends a lot of time in school since he is involved in athletics and realizes the importance of being in school and getting a good education.

Marc Stauffer takes some lessons from Melanie Shippitka about how to get the fans involved in the game. Both of them are involved in many activities and realize the importance of good attendance.

HIGH SCHOOL EDUCATION IS NOT ENOUGH

☒ Yes 40.6%
☒ No 37.6%
☒ Maybe 21.8%

Do you feel a person with a high school diploma can get a very good job?

Many seniors realize you have to have education beyond high school

Seniors were polled as to whether or not they believed a person with just a high school education could get a very good job. 40.6% responded that they could while 37.6% said that they couldn't. In last year's poll, 31.9% felt that they could and 38.5% felt that they couldn't. The results from both years are very similar and it shows that a significant part of the senior class knows that they must go on to get some form of higher education if they are going to amount to anything.

Kevin Gorman seems to be thinking about what he will be doing next year. All these students have to be concerned with they will be doing in the future. The Homecoming bonfire was a fun time for these students but they still have to be concerned with what they will be doing in the future.

Olen Steelman, Tony Laurich and Steve Pae plan on using their athletic skills to help them get to college so they can further their education.

COLLEGE BOUND

Most seniors realize that a college education is important

In the poll, seniors were asked whether or not they intended to go to college. 86.3% of the seniors responding said that they did intend to go to college. 7.8% said that they were not intending on going to college. This was very similar to last year's results where 92.5% said they were going to college and 4.3% said they were not. This showed that seniors realized the advantages that they would get if they attended college and that they realized that a high school education was not the end to their educational process.

Are you planning on going to college after you graduate?

Irma Peredne and Dave Burke, Kevin Gady and Josh Holland know that in order to get into a good college they are going to have to study and get good grades and that the Library is a good place to help them accomplish that.

Having school spirit and participating in school activities is an important part of getting into a good college since many colleges look at the student's activities as well as their grades. Here are **Heather Nickell, Sandy Brown, Missy Clarke and Laura Fifolt and Marina Corleto** dressed up in '70's clothes as a promotion during Homecoming Week. **Mary Kunes** is active in Majorettes and sports and is shown about to catch her baton during Homecoming activities.

Senior Class Secretary. **Gina Zeman**

For the first time in many years Euclid students got a chance to elect officers for their respective classes. Euclid always had a Student Council but it did not have a set of officers that were elected by the student body. It was felt that class officers would be another means of communication between the students and the administration. They also helped out with many of the activities that was normally done by the Student Council.

ACTIVE SENIORS

Many seniors participate in the host of activities that Euclid offers

Euclid offered many opportunities for students to get involved in activities during the school day and after the school day was over. There was also a complete list of sports that the students could participate in. Freshmen even had their own sports program where they could compete with other freshmen teams. There was no reason why a student could not find something that they were interested in at Euclid High School. If a group of students were interested in something that there was no formal club they could always find an adviser and begin their own club. All that was needed was a desire to interact in a particular way.

Amy Repko has found that her time at Euclid is made more enjoyable by participating in Majorettes during the football season.

Gina Zeman, Maria Negolka, Paula Sustarsic, Wendy Lapuh, Mike Hoffman, Melanie Shippitka, Nikki Christopher, Jenny Waina, Jim Swyt, Dana Vance, Chris Kletecka, Tim Fogarty, Matt Hoffman, Meghan Nagode, Kelly Echols, Sharon Hollis and Kristina Geiger help the school and find enjoyment by participating in Student Council.

ENJOYING THEMSELVES

Most Euclid students enjoyed their high school years

Have you enjoyed your years at Euclid High School?

The seniors at Euclid were asked whether or not they enjoyed their years in high school. About 86% said that they did or maybe did. Only 14.2% said that they did not. In a similar poll last year 93% said that they did or maybe did and 6.4% said that they did not. In any situation like that, there would always be some people who do not like what was going on.

Ken Jordan, Bina Stitt, Narketa Wooten and Deleonte Brown had a good time with each other during Homecoming.

Jade Tolliver, Paula Sustarsic, Ben Linn, Mark Killion, Jessica Adams, Martha Urh, Helene Schwartz, Amy Repko, Yolanda Jones and Danielle Picard all seem to be having a good time in their class.

Jessica Kochis, Karen Touschner, Nikki Christopher, Janet Fonovic, Mary Shenk, Rich Slade, Kathy Copic, Greg Pesek, Josh Holland and Matt Hoffman are really calling to the world and telling it how much they enjoyed Euclid.

DRIVING TO SCHOOL

Most seniors drive to school

Do you usually come to school in a car?

If so, do you do the driving?

Seniors were asked whether or not they came to school in a car. Less than 19% said that they did not which compares closely with the 14% who said they did not come to school in a car last year. When asked whether or not they did the driving, 28.6% said that they did not and 64.9% said that they did. Last year 45% said they did the driving and 42% said that they did not. The automobile was a very important part in the lives of seniors at Euclid.

EMBARRASS

Seniors relate

Every year seniors are asked about some of the most embarrassing moments that they have suffered through during their years. All the responses can be divided into two main categories; students who have been embarrassed by tripping on stairways and everything else. Euclid students have experienced a wide variety of anxious moments and have been gracious enough to share some of them with everyone else.

Laura Baber was embarrassed when she forgot to pick up **Maria Schiavoni** for school and she waited, but never went.

Maria Barker was embarrassed when she was in the ninth grade and was about to be late for class so she was running down the hall really fast and a teacher opened a door and she ran right into it.

Niki Brennan was embarrassed when she walked into the wrong class two periods in a row.

Jenna Brzeczowski was embarrassed in the eleventh grade when she thought she was decorating **Carrie Howell's** locker and found out she had decorated the wrong locker and had to go back and take off all the decorations.

Demetrius Dowell was embarrassed during his freshman year when it was hot and he wore a lot of powder in his shorts so he would not get all sweaty and he was sitting in history class and passed gas. He tried to act like it wasn't him but a big cloud of powder came out of his shorts and rose straight up around him.

Laura Fifolt was embarrassed when she drove to school just after she got her license in a huge Delta 88 and got trapped crooked between two cars. She began crying and had to call her mother to move it.

Lindsay Freeman has never been embarrassed since she is way too cool for that. She makes other people feel embarrassed.

Kevin Gady was embarrassed when he began fifth grade and bought some bright red hightops. He thought they were cool until he began classes and everyone began laughing at them and calling him 'Big Red'.

Melanie Shippitka is not embarrassed in her German class with **Danielle Ebrigh** and **Angelyn Mattson** because she has not fallen out of her chair, like she did in the Little Theater.

MAY MADNESS

On May 10 a truly unique event occurred. An annular eclipse in which the moon passed in front of the sun occurred in Euclid. Since the moon was farther away from the earth it did not totally obscure the sun and an annular ring of the sun could be seen. Euclid was in a position for almost perfect viewing of the eclipse as can be seen from the picture where the moon is almost perfectly in the center of the sun.

On May 24, the annual Senior Awards Program was held in the Little Theater. Parents were able to see their children receive many awards. Here is Mr. **Ken Ferlito** presenting the National School Choral Award to senior **Margana Dane**.

Diane Tizanno presented the Louis Armstrong Jazz Award to **Tony Hren** and **Ed Zovak** presented the Euclid Teachers Association scholarship to **Kimberly Bischof**

DeMarco Miller and **Ray Miller** observing the annular solar eclipse.

On April 21 Student Council sponsored its annual Senior Prom for Senior Citizens in which senior members of the community are invited to the school to participate in a dance and snack. **Martin O'Neill** and **Kevin Granito** enjoyed themselves by dancing with the guests and Euclid Mayor, **David Lynch** sang several songs.

PROM UP TO GO OUT

Prom gives seniors a chance to show off

Prom was held on Wednesday, June 1 at Landerhaven Country Club. It was an extravagant affair that was enjoyed by everyone. After arriving most couples had their pictures taken and were then served the traditional meal. After dinner the band played and the couples danced. After the Prom the students could go to Riverview Racquet Club for an evening of fun and games.

But did I fail to mention...

But to me you're still Baby Jeff-er-y!

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could...

Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.
(From Robert Frost's "The Road Not Taken")
Dear Rachel and Justin,
We love you and pray that you will choose your roads wisely.

José Ray and Maria Barker find that the library is an excellent place to get some work done.

Members of the girl's basketball team, Sharon Hollis and Angela Miklavcic, enjoy the friendship that athletics provides.

Kathy Copic tries to sit for awhile and relax in the Fall Play while Creig Sulecki, Michelle Marcelli, Dawn Lo Conti, Justin Barrett, Angela Koeth, Ranessa Barrett and Mary Kiral nag Miss Brooks with their problems.

Rhiannon Brenner really jumped at the opportunity to dissect a frog in Mrs. Morris' biology class.

Donna Beuoy, Kristina Geiger, Dan Nainiger, Brett Zubek, Christina Fabert, Jamie Piscitello, Kristin Samsa and Mike Robinson know that the cafeteria is an enjoyable place to socialize with friends.

Heather Nickell, Jessica Kochis, Meron Yimen, Angela Miklavcic, Angela Meros, Jamie Willet, Jennifer Hrovat, Jennifer McCreight, Stacie Glavan, Jamie Smialek, Jessica Sas, Irme Peredne and Kisha Jones were some old N.H.S. members and new inductees after being tapped for N.H.S. during homeroom.

CLOSING

Colophon Thank You Staff

Josten's Printing and Publishing Division at State College, Pennsylvania printed the 650 copies of the 1995 *Euclidian*. The book was printed on Gloss 191 paper stock and included 48 pages of full color. All pages were created using the Aldus PageMaker® 5.0 program running on a Macintosh IIsi computer that had 17 megabytes of RAM, a 540 megabyte hard drive and a Daystar Powercache 50 megahertz accelerator card with math coprocessor installed. The pages were backed-up onto a 88 megabyte Syquest removable hard disk. A 21" black and white, two page monitor made page layouts much easier. A second Macintosh IIsi computer with 5 megabytes of RAM and a Video Spigot card was networked to the first. Both computers were running System 7.1. Digital images were imported either directly from a Sony Mavica MVC-A10 Still Video Camera into the Video Spigot or were scanned in from a photograph using a 600 dpi scanner. The images were processed using Adobe Photoshop® which had Kai's Power Tools® plug-ins installed. Graphics were produced using Aldus Freehand®, Type Styler® and Type Twister®. The index was made using the Josten's program, Last Name First®. The pages were recorded on 3.5 inch floppy disks and hard copy was printed on a Hewlett Packard LaserJet III printer. The hardcopy and disks were sent to Josten's who stripped in the photos and produced the final copy on a Linotronic printer. The cover was designed by the Josten's Art Department. Pages were submitted to the plant on five deadlines: November 2, November 23, December 23, January 27, and February 24. The pages were submitted as double page spreads. All the color pages had to be in the first deadline since their production entailed so much work. Since the final deadline was in late February, nothing that occurred after that time could be included in the book.

The staff of the 1995 *Euclidian* would like to extend thanks to all who helped to make this book possible. First and foremost, thanks have to go to the adviser, **Mr. Von Benken** for the many long hours of hard work and planning that had to be put in to get the entire operation going and to keep it going. Others to be thanked are: **Lifetouch National School Studios Inc.** for supplying film and processing for the many pictures that appeared in the book and for taking many of the team pictures, senior and underclass pictures. **Josten's Yearbook Company** for putting it all together in such an artistic manner. **Jan Kehn** for all the time she spent arranging photography dates and supplying needed materials. **Barbara Springer** for all the time and work she did trying to get the senior pictures arranged and taken, all the writers and photographers who contributed their time, and last but not least, the entire student body at Euclid High School without which this book could not exist.

Peter Young and **Lt. Commander Scott Anderson** of the Blue Angels spoke to and answered questions for the NJROTC students in the Little Theater. **Anderson** is the 3rd pilot in the Blue Angels and were in Cleveland for the Labor Day Air Show.

Many people helped in some way with the 1995 *Euclidian*. Some wrote stories while others worked on the laying out of the book while others helped in the mailing of letters. **Sylvia Eler** and **Janeen Miklowski** spent many hours working on material while **Angela Miklavcic** did much computer work. Others who did some work were **Marianne Wilson**, **Allison FitzGerald**, **Janet Fonovic**, **Stacie Glavan**, **Beckie Glavan**, **Kim Schoval**, **Jewell Hagood**, **Kevin Carlson**, **Laura Fifolt**, **Amy Barber**, **Jamie Willett** and **Mr. Von Benken**.

Disclaimer

The 1994-95 school year is history. Many interesting and significant events occurred during that time and the *Euclidian* tried to cover as many of them as possible. This was difficult due to the limited staff. If we missed something, we are sorry. We sincerely apologize for any errors or omissions that occurred in the book but you have to understand this is only a high school publication and mistakes can happen.
